

# CURRICULUM VITÆ

*Andrés Romeu*

Date and signature:

I declare hereunder that the information in this curriculum vita is true, assuming the responsibility derived from any inaccuracy it might contain.

**Name:** Andrés Romeu

**Place and date of Birth:** 2<sup>nd</sup> of July 1971,

**Address:** Department of Economics, Universidad de Alicante, 03690, Alicante, SPAIN.

**Electronic address:** aromeu@merlin.fae.ua.es

## EDUCATION

- **June, 1994:** First Grade in Economics, Universidad de Alicante.
- **September, 1997:** MA in Economics, Universidad Autonoma de Barcelona.
- **October, 2000:** Ph.D. in Economics, Universidad Autonoma de Barcelona. Thesis supervisor: Michael Creel, Universidad Autonoma de Barcelona. Title: Some Applications of Simulation Based Estimation Methods and Semi-nonparametric Models in Micro econometric Analysis.

## RELEVANT PROFESSIONAL EXPERIENCE

- **2004 – Present:** Profesor titular interino, Dpto. de Fundamentos del Analisis Economico, Universidad de Murcia.
- **2000 – 2004:** Profesor visitante, Dpto. de Fundamentos del Analisis Economico, Universidad de Alicante.
- **Fall term, 1998:** Visiting fellow in the Midi-Pyrénées School of Economics, University of Toulouse, France. Subject: Structural models for the Analysis of Auctions.
- **1995 – 2000:** Pre-doctoral fellow, Universitat Autonoma de Barcelona and IAE.

## GRANTS AWARDED

**1996-2000:** “Formació d’Investigadors” (Researcher Training Program) grant from the Catalanian government and the Universitat Autonoma de Barcelona

## RESEARCH GROUPS

**2002:** “Social Networks and Economic Processes”. Director:: Fernando Vega-Redondo. Funded by the Spanish Ministry of Science and Technology, CYGIT BEC 2001-0980.

**2002:** “Redes sociales y procesos económicos: Un enfoque teórico y experimental”, Director: Fernando Vega Redondo. Funded by the Generalitat Valenciana CTIDIB-2002-176,

**2004:** “Integración económica y diversidad cultural. Aplicación cuantitativa a problemas de la ampliación de la Unión Europea”. Director: Ignacio Ortuño. Funded by the BBVA

## OFFICIAL PROFESSIONAL QUALIFICATION

**2003:** “*Profesor Colaborador*”, ANECA, Spanish Ministry of Education and Generalitat Valenciana

**2003:** “*Ayudante Doctor*” Generalitat Valenciana

**2003:** “*Profesor visitante*”, Generalitat Valenciana

**2005:** “*Ayudante doctor*”, ANECA, Spanish Ministry of Education

## HONORS AND DISTINCTIONS

**1995:** Degree in Economics extraordinary award, Universidad de Alicante

## RECENT SEMINARS

- Romeu, A., Vera-Hernández, A.M., “*Seminonparametric Estimation for Counts with an Endogenous Dummy Variable*”, **Universidad de Alicante**, February, 2000
- Neugerbauer, T., Pezanis-Christou, P., Romeu, A., “*How far is Weber? Fitting a Nonlinear Model to Experimental Evidence on First Price Auctions*”, **Universidad de Alicante**, October, 2001
- Ortuño, I., Romeu, A., “*Altruism vs. Exchange in Intergenerational Transfers: New Evidence from Children’s Health Care*”, **Universidad Carlos III**, April, 2003
- Ortuño, I., Romeu, A., “*Altruism vs. Exchange in Intergenerational Transfers: New Evidence from Children’s Health Care*”, **Universidad de Murcia**, November, 2003
- Romeu, A., “*Identification in Sequential First-Price Auctions: First Round Bids Suffice*”, **Université Louis Pasteur**, Strasbourg, January, 2005

## PARTICIPATION IN CONFERENCES

- **1998** - A. Romeu : “*Indirect Inference Applied to a First Price Auction: The case of fish auctions data*”, in the *IV Encontro Galego de Xoves Investigadores d’Analise Economica*, Santiago de Compostela, Spain.
- **1998** - M. Fernández, V. Montuenga y A. Romeu: “*Diferencias salariales y comportamiento no competitivo del Mercado de trabajo en la industria española*” in the *IV Encontro Galego de Xoves Investigadores d’Analise Economica*, Santiago de Compostela.
- **1998** - A. Romeu: “*Distribution of Valuations in a Descending Price Auction*”, in *IV ASSET Meeting*, Bolonia, Italy
- **1999** - A. Romeu: “*Simulation Based Estimation Methods in Structural Models of Auctions*”, in *V Encontro Galego de Xoves Investigadores d’Analise Economica*, La Coruña, Spain.
- **1999** - A. Romeu: “*Distribution of Valuations in a Descending Price Auction*”, in *Jamboree Young Economists Meeting*, Brussels, Belgium.

- **1999** - Fernández, M., Montuenga, V., Romeu, A.: "*A revision of the wage-productivity elasticity: the case of Spain*", in *III Jornadas de Economía Laboral*, Oviedo, Spain.
- **2000** - Vera-Hernández, V.M., A. Romeu: "*A Semionparametric Estimation for Counts with an Endogenous Dummy Variable*", in *6<sup>th</sup> international conference on Computing in Economics and Finance*, Barcelona, Spain.
- **2001** - Vera-Hernández, A.M., A. Romeu: "*Semionparametric Estimation for Counts with an Endogenous Dummy Variable*", in *6<sup>th</sup> CEMAPRE conference*, Lisboa, Portugal.
- **2003** – Pezanis-Christou, P. Romeu, A.: "*Structrual Inferences from First Price Auction Experiments*", in ESA meeting, Tucson, Arizona.
- **2004** – Romeu, A.: "Identification in First-price Sequential Auctions: First-round bids suffice", in Zeuthen Workshop, Copenhagen, Denmark.
- **2005** – Collado, M.D., Ortuño-Ortin, I., Romeu, A.: "Vertical transmission of consumption behavior and the distribution of surnames", EEA Meeting, Amsterdam, Netherlands.
- **2006** - Collado, M.D., Ortuño-Ortin, I., Romeu, A.: "Vertical transmission of consumption behavior and the distribution of surnames", ASSET Meeting, Crete, Greece.

## RESEARCH: PAPERS

### Published

- Vera-Hernández, A.M., Romeu, A. (2005): "*A Semionparametric Estimator for Counts with an Endogenous Dummy Variable*", *Econometrics Journal*, **7**: 1-22.
- Romeu, A, (2003): "*ExpEnd: GAUSS Code for Panel Count Data Models*", *Journal of Applied Econometrics*, **10**(3): 429-34.
- Fernández, M., Montuenga, V, Romeu, A. (2006): "*Diferencias Salariales y Comportamiento no Competitivo del Mercado de Trabajo en la Industria Española*", forthcoming in *International Review of Applied Economics*.

### Working papers

- Pezanis-Christou, P., Romeu, A.(2002): "*Structural Inferences From First Price Auction Experiments*" in *UFAE/IAE working paper series*, 531.02, Universidad Autonoma de Barcelona.

- Ortuño, I., Romeu, A., (2003): “*Altruism vs. Exchange in Intergenerational Transfers: New Evidence from Children’s Health Care*”, in *A Discussion*, WP-AD 2003-26, I.V.I.E. and Universidad de Alicante.
- Collado-Vindel, M.D., Ortuño, I., Romeu, A. (2004): “Vertical Transmission of Consumption Behavior and the Distribution of Surnames”.
- Romeu, A., (2004) “Identification in Sequential First-Price Auctions: First Round Bids Suffice”.
