

Name: Jerónima Vicente-Soler

Academic background:

1984- *Graduated in Biological Sciences*. University of Murcia. Spain.

1984- *Master in Microbiology*. University of Murcia. Spain (1985-Extraordinary Degree Award)

1989- *PhD in Biological Sciences*. Department of Genetics and Microbiology. University of Murcia. Spain.

Research & teaching positions:

1985-1987- *Faculty Lecturer*. Universidad de Murcia. Spain

1990-1991- *Postdoctoral*. Division of Biological Sciences. Institute of Cell, Animal and Population Biology. University of Edinburgh. UK.

1987-1992- *Assistant Professor of Microbiology*. Department of Genetics and Microbiology. University of Murcia. Spain.

1992-2011- *Associate Professor of Microbiology*. Department of Genetics and Microbiology. University of Murcia. Spain.

2011-...- *Professor of Microbiology*. Department of Genetics and Microbiology. University of Murcia. Spain.

Current research interests:

i- Activation, modulation and location of components of SAPK and CIP signaling pathways in *Schizosaccharomyces pombe*.

ii- Microbial adaptation and cellular resistance to stress conditions.
