

EUniWell Research Incubator

Information and networking session
26 April 2023

Partner Universities:

UNIVERSITY OF
BIRMINGHAM

UNIVERSITÀ
DEGLI STUDI
FIRENZE

Universität
zu Köln

Universiteit
Leiden

Linnæus University 

 Nantes
Université

 SEMMELWEIS
UNIVERSITY 1769

 With the support of the
Erasmus+ Programme
of the European Union

 This project has received
funding from the European
Union's Horizon 2020
research and innovation
programme under grant
agreement No 101035821.

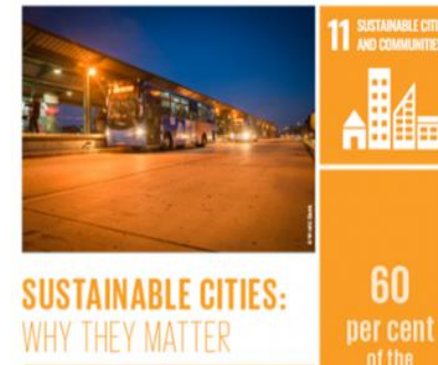

European Network:

About this session

- Overview of EUniWell and the research incubator
- Opportunity to share your interests and ideas
- Chance to meet other researchers
- Request support from the incubator team

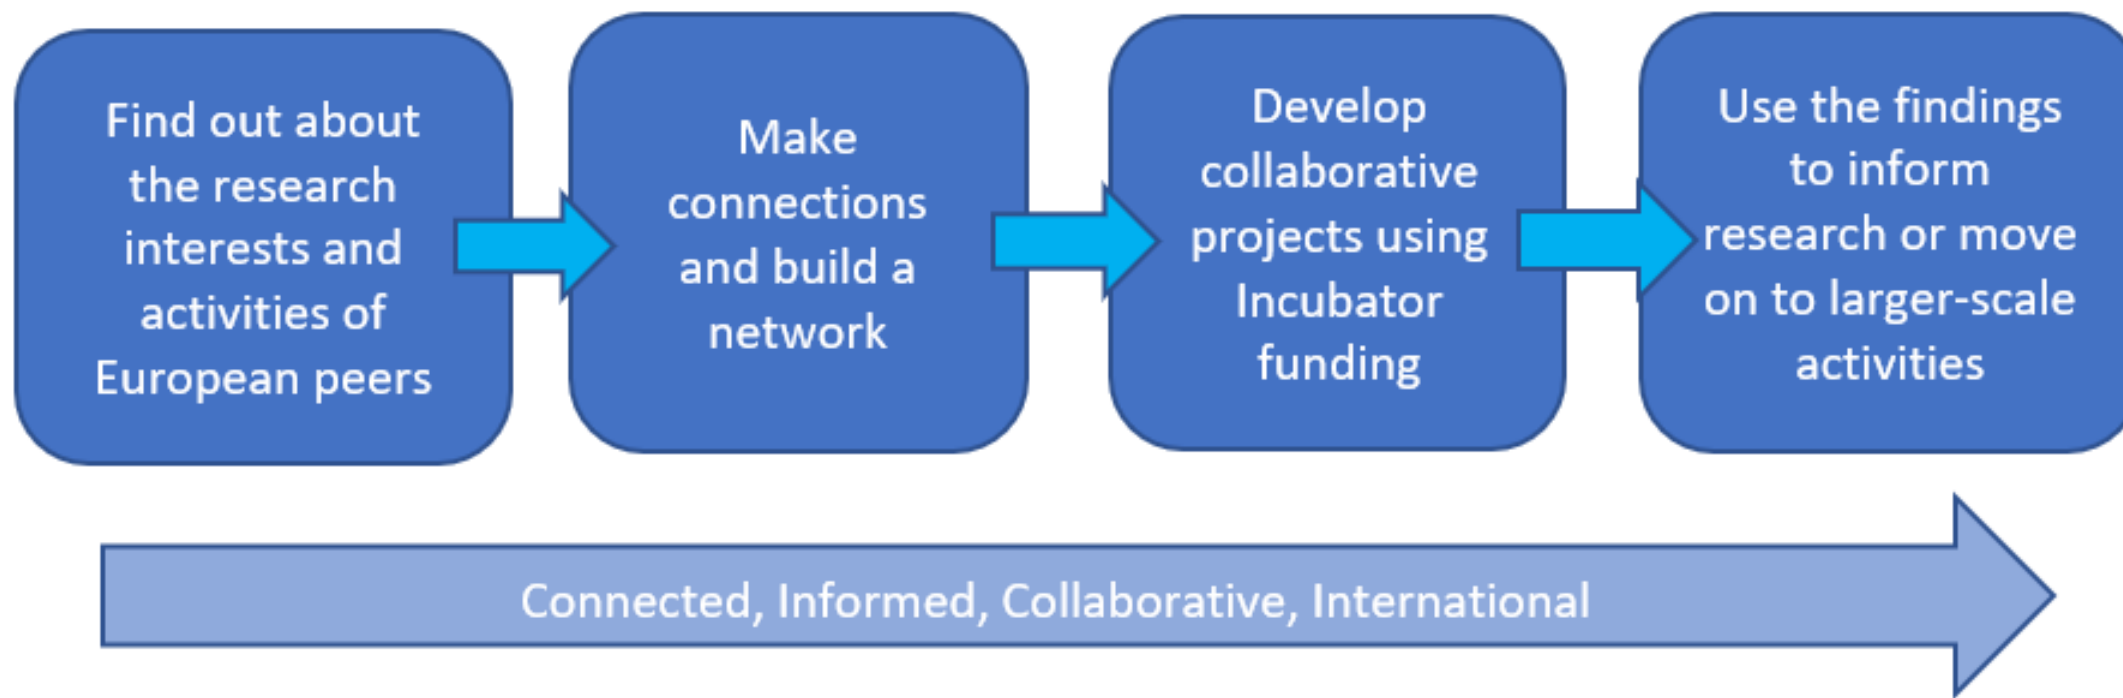

EUniWell in a nutshell

- One of 41 European University Alliances
- Ten universities, over 100 associate partners
 - Eight taking part in Well-being Incubator
- Four main research areas
 - Well-being and health
 - Individual and social well-being
 - Environment, urbanity and well-being
 - Teacher education
- Erasmus+ and Horizon 2020 funding

Well-being research incubator

To encourage and support transferable well-being research solutions that cross institutions, sectors and disciplines.

Workshops

Must be:

- Online, Jul-Sept 2023
- At least three EUniWell member universities
- Collaboration in research
- One of the four EUniWell research themes
- Brief feedback report (c. 1 page) or follow-up call

Priority given to:

- Clear plan for follow-on activities
- Focus on research
- Relevance to EUniWell research themes
- Anticipated outcomes
- Innovation (i.e. does not duplicate an existing idea)

Rounds 1 and 2 workshops

- Climate Change and mental health
- Societal adaptation to sea level rises
- Photoredox catalysis
- Living Environments for the Elderly
- Engaged Ethics in Diverse Urban Settings
- Cultural-natural conservation
- Microbiomes
- Students, depression and suicide
- Biocultural well-being tourism
- Well-being during work and academic study
- University campus food preferences
- Digital well-being
- AI in Healthcare and Education
- University for the well-being of older people
- Teacher well-being
- Cancer and Ageing
- Gender, health and well-being
- Science shops for well-being

Figure 1: Which EUniWell funding source best suits your idea?

Dates for your diaries

| What's happening? | When? |
|--|----------------|
| Deadline to submit your workshop idea | 26.05.23 |
| Successful workshop leads informed | 19.06.23 |
| Third round workshops delivered | Jul-Sept 2023 |
| Third call for projects (follow-on funding) opens | Early Oct 2023 |
| Third call for projects (follow-on funding) closes | Early Dec 2023 |
| Decision on funding awards | Early Jan 2024 |
| Project delivery | Feb – Jul 2024 |

Any questions?

Networking

- 25-30 minutes
- Introduce yourself, and your area of research
 - Share your idea for a workshop and / or project (if you have one)
 - If or how you could help the previous speakers
 - Facilitators will keep a record
- 10 mins report back to the main group

Next steps

- Let us know if you do not want us to share your details
- Post your idea on the online portal
- Ask for help if you need it
 - Incubator team
 - Local EUniWell teams
- Complete the online application form by 17 February

Thank you for coming!
