## Human Resources Strategy for Researchers at UMU

### HSR4R-UMU

DATE ENDORSEMENT CHARTER AND CODE: 01/10/2018

#### Universidad de Murcia ACTION PLAN

**An action plan** is defined as: *'A sequence of steps that must be taken, or activities that must be performed well, for a strategy to succeed. An action plan has three major elements (1) Specific tasks: what will be done and by whom; (2) Time horizon: when will it be done; (3) Resource allocation: what and who is available for specific activities.'*

The **40 principles assessed in the Gap Analysis** span 4 areas of the C&C (Ethical and Professional aspects; Recruitment and Selection; Working Conditions and Social Security; Training and Development). UMU has described the 'state of play' under these headings.

The **UMU's Action Plan** specifies actions that overcome existing/emerging gaps, indicate ownership and responsibility of these and a timeframe for implementation.

The timeline covers two years up to the first internal review. Timing is indicated by quarters of a year.

- Action Plan includes short-term interventions and long-term systemic actions that bring about culture change;
- Actions include indicators and/or targets for success that underpin the quality of the outputs and outcomes;
- Quantitative targets have been included in the Action Plan where appropriate and relevant

The UMU is aware that an **Open, Transparent and Merit-Based Recruitment OTM-R policy** should be embedded in a global Human Resources strategy to improve the working conditions of researchers and attract researchers from abroad. All these policies should be complementary and form part of the UMU's overall policy to enhance its quality and pursuit of excellence as well as researchers' careers and mobility. The **focus of the UMU OTM-R system** will be on recruiting the best person for a specific job and that all recruitment procedures are based on principles of equal opportunities for all candidates (internal and external).

OTM-R policy at the UMU will improve and implement measures in the following three phases of the process:

1. Advertising and application phase: Actions 1, 3 of the Action Plan
2. Evaluation and selection phase: Actions 3, 4, 5, 6 of the Action Plan
3. Appointment phase: Actions 7, 8, 9 of the Action Plan
