

Draft Program: Juhöfola 2010

Version: 10July2010

Sa. 31.7.10	So. 1.8.10	Mo. 2.8.10	Tu.3.8.10	We.4.8.10	Th.5.8.10	Fr.6.8.10
	Cave rescue Schillerhöhle	Hydrology Blautopf	Hydrology Katzenloch	Electronics: Direction finding	Electronics: Wireless transmission and telemetry	Geological excursion over the Swabian Alb
	Single rope techniques	Single rope techniques	Practical caving: Vetterhöhle Schacht II	Practical caving: Vetterhöhle Schacht II	Practical caving	
	Survey	Survey	Survey	Survey		
	Excavation Bärentalhöhle	Practical Geology. Fossils: Ermingen	Geology:	Practical Geology: Sediments in Vetterhöhle,	Geology	
12:00 Lunch						
13:00 Welcome and Information Session						
14:00 Program:						
Single rope techniques						
Cave rescue						
18:00 Introduction						
Presentation: Material science Presentation: Cave rescue	Presentation: Geologie	Presentation: Basics of Electronics and Wireless Transmission in caves				20:30 Presentation: Basics of cave climate

- 4 Groups per day for lessons
- Topics will be shifted according to the interests in the groups

Sa. 7.8.10	So. 8.8.10	Mo. 9.8.10	Tu.10.8.10	We.11.8.10	Th.12.8.10	Fr.13.8.10
Cave Climate: Theory	Cave Climate: Theory	Biology	Biology	Biology: SEM	Biology	Wishes of participants
Electronics	Electronics: Telemetry	Survey	Survey	Survey	Survey	
Geology	Geology	Geology	Geology	Geology		
		Hydrology: Tracer Falkensteiner Höhle	Electronics: Direction finding	Electronics: Communication	Electronics	
Rope techniques	Rope techniques	Research/ Rock conditioning	Practical caving	Practical caving	Practical caving	
		Presentation: Biology				Farewell celebration
