

G9 2024 LIVE: Managing Collaborations and Research Items Effectively

Tue, May 7, 2024 5:00 PM - 6:00 PM CEST

Show in My Time Zone

This webinar will look at effective collaboration and how it can further your perspective, popularise your work, and help gain research funding. It also looks at why you need to network and will provide helpful insights into ways to make your network grow. Managing research teams and colleagues is also covered, alongside a discussion on key skills needed to present and promote your research.

About our expert:

Our expert Jamie Khoo obtained her PhD in Women's Studies from the University of York and is now a PhD trainer and PhD life coach. She was the founding member of 'How to Thrive and Survive your PhD' a peer led program at York University and later served as the university's Postgraduate Researcher Liaison Officer where she continued to build on the program.
