

G9 2024 LIVE: Peer Review: How to do it and survive it to get your paper published

Wed, Jun 5, 2024 5:00 PM - 6:00 PM CEST

Show in My Time Zone

In this webinar learn about the different types of Peer Review. Find out who are the Peer Reviewers and learn how to deal with a 'Revise and Resubmit" decision which is one of the most common outcomes of the peer review process.

About our expert:

Roger Watson, Professor and Editor-in-Chief of Nurse Education in Practice

Editor-in-Chief of Nurse Education in Practice (Elsevier), Academic Dean in the School of Nursing at the Southwest Medical University, China, authored over 500 Publications. Roger has over 30 years of experience in academic writing and publishing. He has been an advocate for the use of AI in academic publishing and has recently coauthored a blog post on the official website of the Committee on Publication Ethics (COPE) which discusses the benefits and challenges of using generative AI tools such as ChatGPT in scholarly communication and has emphasized the need for ethical considerations and transparency when using AI in publishing. He is the Editor-in-Chief of Nurse Education in Practice and former Editor-in-Chief of Journal of Advanced Nursing. His other current affiliations also include the President of the National Conference of University Professors (2022-2024) and Editorial Board Member of the WikiJournal of Medicine. He also has honorary faculty and visiting positions in Australia, Ireland, Saudi Arabia, and China. In 2022, Roger has been conferred with the Margaret Comerford Freda award for Editorial Leadership in Nursing Publication by the International Academy of Nursing Editors.
